# Dogservations

I must say that I'm quite disappointed so far in \_\_\_\_\_ Noun turn out during \_\_\_\_\_ Noun. For the most part is has been pretty nice, though not today. It's been dreary, wet and was sitting at 6 degrees. There were no \_\_\_\_\_ Noun yet again today.

In ten autumn observations four have been zero \_\_\_\_\_ Noun and four have been three dogs. It does not make for \_\_\_\_\_ Verb - Base Form graphing.
