day

the girl had a bad dayA friend's <u>Noun</u> is perfect! We will be there Sunday, March 24 to Sunday, March 31 in Escondido. We do not have any set <u>Noun Plural</u>, so any of those dates work. Easter is March 31st. So should we have the <u>Noun</u> March 24 or 25th (to not interfere with people's easter weekend)? You decide what day works best for your <u>Noun</u>! We are up for <u>Noun</u>. If you send me addresses, I can send out invites. Since I will be with Michelle and <u>Proper Noun</u>, would you be willing to be in charge of <u>Vorb Present Tense</u> and food? I can contribute financially to what you purchase. Would her sisters and David want to help with games? Also, do you know what Michelle and Jonathan want/ need for <u>Determiner</u> baby? Should there be a gift registry set up for them? Or do you think it would be easier if people (if they wanted to) give money since they are going back overseas?
