Unidragon

Once upon a time there was a unidragon standing on my Noun. It had a cheetah and lime Adjective pattern on its body. It was playing chess with my pet dog Proper Noun. The ref was my cat Proper Noun. I asked, "What are you doing?" I thought I was talking to myself but they blurted out, "...NOTHING!" I almost screamed but held it in! Then I said, "Okay but why are you playing Noun?" The unidragon said, "Because it makes you think!" I answered, "Well you are a cat, dog and unidragon. What in the world do you need to think for?" "HEY don't make me go all fireball on you," said the unidragon! Shelby exclaimed, "Well fine, but at least can we get some frozen ice cream?" So we went to the ice cream stand. It was really hot and muggy. So the ice cream man went crazy but he gave us our ice cream. Then....AAHCHOO the unidragon Verb - Past Tense all over the ice cream man and made him a frozen icicle. I told him he was a bad boy and he had to go home right this second! So we all went home and ate our ice cream.
