unidragon

Once upon a time there was a unidragon standing on my Noun . It had a cheetah and lime
 Adjective pattern on its body. It was playing chess with my pet dog Noun . The ref was my cat
 Noun . I asked, "What are you doing?" I thought I was talking to myself but they blurted out, "...
NOTHING!" I almost Verb - Past Tense but held it in! Then I said, "Okay but why are you playing
 Noun ?" The unidragon said, "Because it makes you think!" I answered, "Well you are a cat, dog and
unidragon. What in the world do you need to think for?" "HEY don't make me go all fireball on you," said the
unidragon! Noun exclaimed, "Well fine, but at least can we get some frozen ice cream?" So we went to
the Noun Noun stand. It was really Adjective and Adjective . So the
 Noun Noun man went Adjective but he gave us our ice cream. Then....AAHCHOO the
unidragon sneezed all over the ice cream man and made him a Noun Noun . I told him he was a
bad boy and he had to go home right this second! So we all went home and ate our ice cream.
