## 29 CFR 1910.1200(a)(1)

This occupational safety and standard is intended to address the issue of
hazards and appropriate protective measures to employees, and to preempt any or regulatory
enactments of a state, or subdivision of a state, pertaining to this subject verb - Present
Tense the potential hazards of Noun - Plural and communicating information concerning hazards and
appropriate protective measures to Noun - Plural, may include, for Noun, but is not limited to,
provisions for: verb - Present Tense and maintaining a written hazard communication for the
, including lists of hazardous present; labeling of containers of chemicals in
the workplace, as well as of of chemicals being shipped to other workplaces; preparation
and of safety data sheets to employees and downstream employers; and development and
of employee training programs regarding of chemicals and protective
measures. Under section 18 of the Act, no state or political of a state may adopt or verb
any requirement relating to the issue addressed by this standard, except pursuant to a
state plan.
