Taylor Game-Day Dilemma

1. Adverb _____

Taylor Game-Day Dilemma

Kya and Teon were very excited!

Kya plays soccer and Teon plays football.

Next week they both have a very important game!

Kya's game will be in Henderson while Teon's game is in Summerlin.

There's only one _____Adverb_____. Both of their games are on the same day and start at the same time.

Their dad has to work that day. Mom is the only person who can take them.

Teon is mad at Kya and starts yelling at her "you're being ridiculous. It's lame that you think your game is more important than mine."

Kya was angry she stomped her foot. Kya yelled back, "you're being selfish and unfair! We both know that I can play better than you"!

Their

sister Rere shook her finger at them while yelling "both of you be quiet! I'm trying to watch my movie!"

Their littlest sister Briyella just sat there with a blank stare on her face watching them argued back and forth.

Finally, mom came in and put her hands on her hips saying "both of you better stop yelling or neither of you will go to either game! Go to your rooms and sit quietly until dad comes home".
