How the World Ended

One late Noun , the Proper Noun Noun - Plural were getting ready for their Noun .
 Pronoun were Verb - Present Tense very very hard. But then, all of a Adjective , they "
 Adverb " threw the Noun at the wall hoping it Modal explode. They didn't hope
enough. It Verb - Past Tense into a Number pieces, and a Adjective Noun formed,
and it Verb - Past Tense everybody into the Adjective Noun . That is how the
 Noun ended.
