Wonderland

Hello, my name is _____ Your name and I have an _____ Adjective story to share with you. Yesterday afternoon I was just taking my _____ Creature or animal for a walk when I came across a huge _____ Object that transported me to a magical land full of loads more mini _____ Same object and _____ Colour clouds. As I was admiring this fantasy world, I suddenly saw a big, _____ Colour bogey monster _____ Type of movement towards me. When he reached me he walked around me sniffing me....he sniffed out a _____ Food from my pocket and ate it...as soon as he swallowed, he gagged and threw it straight back up onto the wet grass. He had a _____ Emotion look on his face as he whipped off his sock and shoved his sweaty, _____ Same colour foot in my _____ Body part. By that point I had forgotten all about my _____ Same animal (his names _____ A name by the way) and couldn't find him anywhere, then...I heard a whimpering and as I looked up I saw _____ Same name hanging in the sky...then the sun came out from behind a cloud and blinded me, I couldn't see anything...then as the sun disappeared again...I was back on my street looking at a hole in the ground where the _____ Same object again used to lie. To this day I still wonder where dear old _____ Same name is (I'm _____ Number now!) and why an earth he was hanging from the sky?...
