# Hillary and Nick's Disney World Adventure

Once upon a time, Hillary and Nick were on their way to Disney world. They were so excited, but they knew it would take \_\_\_\_\_ Number hours to get there. They packed all of their \_\_\_\_\_ Noun - Plural, got into their VEHICLE and hit the road. But they had barely made it out of \_\_\_\_\_ State when the car engine started smoking. Hillary \_\_\_\_\_ Verb - Past Tense while Nick got out to check the engine. Upon closer inspection, he realized that the flux capacitor had gone out. How ever would they make it to Disney world without one? He was just about to call AAA when all of a sudden, a shiny black limo pulled over behind them. They couldn't believe their eyes! It was \_\_\_\_\_ Celebrity! They both shrieked with excitement. He walked over to their car and pulled his \_\_\_\_\_ Color sunglasses off of his face. "Flux capacitor problems?" he asked, noting the smoking engine. They both stared in awe, nodding their heads. Without missing a beat, he pulled out a cell phone and walked back to the limo. Hillary and Nick waited, mouths ajar. \_\_\_\_\_ Celebrity walked back towards them, smiling. " I've made a few calls, and although I can't get you a new capacitor, my private jet is available this week. Consider it yours. I'll give you a ride to the airport, but I've got my pet \_\_\_\_\_ Wild animal in the limo with me. Do you mind?" Hillary and Nick were so relieved! "Not at all!" they shouted. Hillary even volunteered to sit next to it. They were so happy to be on their way, yet again, to the big Mouse's house, and they couldn't wait to tell everyone about how they got there.
