Red Suit Optional

It was Christmas eve and I was _____Verb - Present ends in ING_____ the last _____Noun - Plural_____ for _____First Name of a Person_____. I heard a noise on the roof and ran outside to see what it was. Then the door closed and _____Verb - Past Tense_____ behind me! All I had on were my _____Noun - Plural_____ and _____Noun_____.

It was very cold and snow started to fall. A _____Animal_____ watched me try the back door - it was locked, too. I paced around wondering what I would do, when I heard jingle bells from _____Location_____.

I looked up on the _____Location_____ and saw Santa Claus wearing his _____Color_____ _____clothing_____ and hat! He was getting ready to slide down the chimney with his sack of presents! So I yelled, "Hey, Santa!"

He spun around and slipped! All the presents in his sack went flying through the air! I saw a red iPad, a green sweater, and a gold necklace. And then Santa flying through the air, too.

Somehow, he landed on his feet and all the presents fell neatly stacked in to his sack. Santa said, "You sure look cold." Then he loaned me his red hat and coat.

With a twinkle in his eye, he turned to glitter and vanished! Just then, Mark opened the door. He said the neighbor just called to tell him that I was wandering around the backyard wearing my bathrobe.

And that's what happens when you drink too much eggnog before bed!
