The girl i like!

The girl i like is called Full Name of a Person. Her hair is Adjective and Colour and her eyes are Colour. Her Part of Body Verb - Base Form at nighttime. I think of her every day. One day, i met her at the Location by accident. I said "Are you Jamaican? 'Cuz Jamaican me crazy!" She stared at me Adverb. Now i am Age years old and First name of the person is glancing at me more often now. I think she may like me!

Today i saw First name of the person again and this time she came right up to me. She stared at me for a while.

The out of the blue she Verb - Past Tense me. She ran away and i didnt see her again that day. Now i am sitting on my Item in house, wondering what she will do to me tomorrow.
