About Mike

Mike was born and raised in Kitchener, ON with his mom, dad and two brothers. After he graduated high school he moved all the way to NS to attend St.FX where he obtained a degree in Honours History and from there moved

on to receive his Masters in History from Brock University in St. Catharines, ON. Mike is currently attending Willowbank School of Restoration Arts during the school year and works at Old Fort Erie as their Volunteer Coordinator during the summer months.

Mike enjoys history, watching hockey (when there's actually a season) and has developed a serious passion for old buildings!

How we got engaged

Our engagement was AMAZING to say the least. Mike really went all out! So this is how it happened....

Mike and I used to carpool, so Mike told me that he had class late at Brock's Monument on this particular day and that I would have to pick him up around 4:30. So I go to the monument to pick him and find his two classmates, Nik and Sasha, playing frisbee. When I asked them where Mike was, instead of giving me an answer, they hand me a rose and an envelope. Inside the envelope was a poem which gave directions that I was to go on a bit of an adventure through Queenston. This adventure included stops at the Mackenzie Printery, the old post office and the Laura Secord house. At each stop another of his school friends was waiting with another envelope and another rose....swoon. My final stop was at Willowbank, which is an 1800's mansion, where Mike had put rose petals and paper bag lanterns the whole way up the stairs leading up to the door. When I opened the door, everyone from all the stops were waiting for me in the hallway which was elegantly lined with candles and more rose petals while Mike waited patiently at the end.

There,

he asked my to marry him and the rest is history!
