# Vocaloid Poem

There once were a girl

And \_\_\_\_\_Female Vocaloid\_\_\_\_\_ was her name

One day she'd thought she'd play a \_\_\_\_\_Adjective\_\_\_\_\_ game

She snuck up on a boy

\_\_\_\_\_male vocaloid\_\_\_\_\_, is what he's called

And as for the trick, well he's in for a fall

You see, she dug a hole

With \_\_\_\_\_food\_\_\_\_\_ it was full

But under the \_\_\_\_\_Same food\_\_\_\_\_ was harder than coal

Come here! Said \_\_\_\_\_same Female Vocaloid\_\_\_\_\_

\_\_\_\_\_Same male vocaloid\_\_\_\_\_ came in a run

What \_\_\_\_\_same Female Vocaloid\_\_\_\_\_ was about to do was quite fun

\_\_\_\_\_Same male vocaloid\_\_\_\_\_ jumped for the \_\_\_\_\_Same food\_\_\_\_\_

But underneath was a brick

And

Same male vocaloid

cried really hard, cause it hit his d- well....you know
