Krucial Kuts Presents: NBA Madlibs No. 1

"To be honest, I would put myself in the same category as Full Name of a Person. I mean, at the end of the day, the only thing he has that I don't have is more Noun - Plural and two Noun - Plural. That's it. As far as playing Adverb? Verb - Present ends in ING every night? Both Noun - Plural? Verb - Present ends in ING in Location and in Location? Noun? Noun? Full Name of a Person have it all." Repeat Last Full Name of a Person, NBCSports.com
