Gangster Squad Review

No, this is not a 3D concert Tupac movie, different kind of gangster. _____Proper Noun_____ Squad is a film about

the struggle between 1950's mobs and da po-lice.

The best part about this movie's release, is it will hopefully _____Verb - Base Form_____ our unhealthy longing for The

_____Adjective_____ Gatsby (to be released this coming summer instead of it's originally planned winter release).

The _Repeat Last Adjective_ Gatsby is a long awaited film re-make of the classic _____Nationality_____ novel about

rebellion and money, set in the 1920's. Gangster Squad, though set in the 50's, has a similar sense of classic

American rebellion. Gangster Squad, however, does seem more _____Adjective_____ and is definitely driven by it's

action and plot, instead of visuals and characters that drive Gatsby.

Speaking of casting... Sean Penn plays a Brooklyn born mob king -while not as _____Adjective_____ and

_____Adjective_____ as Gosling, Penn gives a _____Adjective_____ performance as the evil puppet master of Chicago

politicians and police. Ryan Gosling plays the 'good guy', a Sargent in the Los Angeles Police Department, sent

to Chicago to completely _____Verb - Base Form_____ the mob. Not to give the wrong impression of Gosling being a

'safe' and 'underplayed' character, everyone in this movie is a bad ass, even the good guys. And for all my fans of

Prison Break out there, Wade Williams (actor or the prison guard) plays a mob member.

The movie seems very _____Adverb_____ _____Adverb_____ and exciting, not surprising considering the intense cast

and

setting, and if we want to be honest, the ladies really need Gosling in a _____Article of Clothing_____, and the dudes

need Stone in red lipstick. Therefore _____Number_____ stars.
