The Vocaloid Group Go Trick and Treating

Rin and Len came home from trick or treating with _____Emotion_____ looks on their faces. Rin was dressed as a _____Animal_____ and Len was a _____Something a boy would like_____. Luka saw their _____Emotion_____ faces and asked them what was wrong. Rin told Luka about how barely anyone gave them any candy. While Rin and Len thought about it as a big deal Luka just shrugged and walked off.

'It's okay!' Said Rin, 'When _____Vocaloid_____ and the rest come home they might share their candy with us!'. They both nodded. When Miku, Kaito, Teto, _____Vocaloid_____, and the rest came back they were so _____Emotion_____. They didn't get any candy. Miku told them that a _____Adjective_____ girl took all the candy before they could get to any of it. That's when they all decided that it was their turn to have some candy. They were going to scare the _____Adjective_____ Gil into getting some candy from her.

(In the not-too-distant future)

The girl, dressed as a terrible-looking _____slutty costume_____ costume, noticed an odd looking sign. In big _____Colour_____ letters it pointed into the forest and said 'MORE _____Adjective_____ CANDY HERE'. The girl was _____Adjective_____ and greedy so she ran into the forest. Not long after that, she was lost. She started to scream in _____Emotion_____ and _____Emotion_____. Then she saw something. She looked closer and saw a girl with _____Adjective_____ teal/green pony tails. She ran up to her for help but then saw that an _____Body part_____ dripped from her face. The girl screamed as she saw that the teal-haired girl wasn't human, but a _____Halloween monster_____!

More

creatures surrounded the girl. One was a short girl with _____Colour_____ skin, a _____Halloween monster_____! Another was tall and had blue hai and _____Colour_____ eyes, a _____Halloween monster_____! A couple more came, and more until the girl had enough and ran away leaving her candy bag behind.

The vocaloids wiped their face make-up off and Miku picked the fake _____Body part_____ off the ground. They all laugh and enjoyed their candy. You see, that's why you never go trick or treating in a town with vocaloids.
