The Vocaloid Group Go Trick and Treating

Rin and Len came home from trick or treating withlooks on their faces. Rin was dressed as a
and Len was a Something a boy would like Luka saw their faces and asked
them what was wrong. Rin told Luka about how barely anyone gave them any candy. While Rin and Len
thought about it as a big deal Luka just shrugged and walked off.
'It's okay!' Said Rin, 'When and the rest come home they might share their candy with us!'.
They both nodded. When Miku, Kaito, Teto,, and the rest came back they were so
They didn't get any candy. Miku told them that a girl took all the candy
before they could get to any of it. That's when they all decided that it was their turn to have some candy. They
were going to scare the Gil into getting some candy from her.
(In the not-too-distant future)
The girl, dressed as a terrible-looking costume, noticed an odd looking sign. In big
letters it pointed into the forest and said 'MORE CANDY HERE'. The girl was
and greedy so she ran into the forest. Not long after that, she was lost. She started to scream in
and and Then she saw something. She looked closer and saw a girl with
teal/green pony tails. She ran up to her for help but then saw that an dripped
from her face. The girl screamed as she saw that the teal-haired girl wasn't human, but a!
More

creatures surrounded the girl. One was a short girl with _	Colour	skin, a <u>H</u>	lloween monster	_! Another			
was tall and had blue hai and eyes, a	Halloween monster	! A coupl	e more came,	and more			
until the girl had enough and ran away leaving her candy bag behind.							
The vocaloids wiped their face make-up off and Miku pi	icked the fake	Body part	_ off the grou	nd. They all			
laugh and enjoyed their candy. You see, that's why you never go trick or treating in a town with vocaloids.
