Jen

There once was a Noun named First Name of a Person. She was an absolute Adjective, and everyone Adjective her. One day she moved away and never looked back. She left her Noun and the view of the Noun that she always dreamed of leaving on. Her Noun missed her very much, but Verb - Past Tense the fact that 'you can't Verb - Base Form a bird with Noun - Plural.'

Eventually she came back, but only for visits, that's when everyone was Adjective and got along.
