Even more Dan Quayle Quotes

"Welcome to President Bush, Mrs. Bush, and my fellow Occupation--Plural."

"What a waste it is to lose one's Body Part. Or not to have a Same body part is being very wasteful.

How true that is."

"The future will be Comparison word--example would be smarter funnier etc tomorrow."

"Quite frankly, Occupation--Plural are the only profession that teach our children."

"[It's] time for the human race to Present tense verb the solar system."

"Verbosity leads to Adjective, Adjective things."
