Weather Controller

There once was a _____^{Noun} that could control the weather. He was a smart _____^{Noun} and nobody could tell him what to do. If someone tried, he hid in his favorite hole, the _____^{Noun} hole. When the little _____^{Noun} went in the rain hole, it rained until he came out of the rain whole, or crawled into a different hole underground. The _____^{Noun} _____^{Noun} favorite whole, for when someone _____^{Noun} him, was the snow hole.

Some people actually thought the _____^{Noun} came from a different planet. A planet called Zubuntu. _____^{Noun} is a groundhog planet that newspaper writers made up. When a little girl was in a field _____^{Noun} corn on a _____^{Noun} _____^{Noun} day, the _____^{Noun} saw her and tried to hide but she saw him. He was a _____^{Noun} _____^{Noun} and he wanted her to leave, so he made it hail. The _____^{Noun} ran away yelling, _____^{Noun} _____^{Noun} That made the _____^{Noun} upset and so he made the weather -27 degrees for 3 weeks in time.

The people in the local town he was in _____^{Noun} were nice to the ground hog and the people actually felt it getting warmer by the minute! When the people were nice, the _____^{Noun} was nice. So the Seneraryins were nice to the groundhog from then on out. They even named him _____^{Noun}. _____^{Noun} loved his name and was friendly and only for 30 minutes a day, there was bad weather and it was always at _____^{Noun} _____^{Noun}.
