Bio Of Stephono

I am a statue named Stephono. My friend _____person_____ and I always travel the mysteries of My town _____town name_____. I never used to be a statue, I used to be a nice gaurd in _____town name_____. It was a noce town ...then the Bros came. They looked like mummies grey skin peeling down and the bottoms of their mouths reached their chest's. They killed most of us but spared the rest in the form of a _____color_____ small nealing statue I was one of those spared. I was brought to this strange room and i met a pig (_____persons nickname_____ calls him Piggy). He was put in a strange thing that cloned him but the cloneing thing was broken a bit and he came out with his clones all dead looking but still alive. One day I was put on a shelf and forgoten about then _____persons nickname_____ found me and thats how I met _____person_____.
