# madlib

Charlie met Kate in the           Noun          . Then they went to the           Noun          , where they           Verb - Past Tense          .

Weeks later he asked her to be his           Noun          , then they pretended to be spies and wrote call me maybe

songs to each other, such as:

Hey, I just met           Noun          

and this is           Adjective          

but here's my           Noun          

so           Verb - Base Form           me maybe
