# Camping Trip

One day in \_\_\_\_\_ my family and I were going on a camping trip. We made sure to pack our \_\_\_\_\_ bottles, tents, cooler, food, and other \_\_\_\_\_ equipment. It took \_\_\_\_\_ hours to get there. Once we saw the sign \_\_\_\_\_ Adventure we put up our tent. When my dad started to build the tent it \_\_\_\_\_ on him! It was really \_\_\_\_\_. My mom had to help him and he was \_\_\_\_\_ when she did it \_\_\_\_\_. At dinner my dad said he would \_\_\_\_\_ a fire. It didn't go well. My \_\_\_\_\_ year old brother did it. We went to bed after I cooked dinner and sang camping \_\_\_\_\_. My dad woke up bright and early and blew his \_\_\_\_\_ to wake us up. My mom \_\_\_\_\_ at him. We decided to take a hike after \_\_\_\_\_. As we went we saw \_\_\_\_\_ things. But then my dad fainted. So we had to carry him. He had to weigh at least \_\_\_\_\_ hundred pounds! This would be our last lunch here and my dad said that he would \_\_\_\_\_ up everything. My mom had to do. On the way back my dad said, "Whose \_\_\_\_\_ idea was to go on a camping trip!" We \_\_\_\_\_ and said, "YOU!"
