Crazy Dogs

Once upon a time, there were two crazy dogs who were licking _____Noun - Plural_____ out of curiosity of how _____Noun - Plural_____ taste. Then comes a gang of six crazy scary looking _____Noun - Plural_____ barking this is our _____Noun_____ and our flowers. So then the two crazy dogs go off running to the woods and come back with eight doggie bags full of bones. So the crazy dogs said to the gang if you want these delicious _____Noun - Plural_____ of bones you better give us the flowers. So the gang said ok and thought that the two crazy dogs were crazzzzy for wanting flowers over _____Noun - Plural_____. No one in Puppy Land has ever stood up to the before! In fact everyone was surprised that _____Noun_____ stood up to the gang. Everyone in _____Proper Noun_____ Land has never again been scared of the _____Noun_____ again. Now everybody was scared of the two crazy dogs because they actually stood up to the gang. That's how the dogs lived happily ever after with all the bones and of course _____Noun - Plural_____ they wanted.

THE END!
