Jaide's Wild Ride

It was a _____Adjective_____ _____Adjective_____ summer day, and I was at _____Number_____ _____Proper Noun_____. I was walking around with my hot _____Noun_____, _____First Name of a Person_____. When we saw a gigantic new ride and decided to get on it. We sat down and like _____Number_____ buckles came down to strap us into the cart. That is when we knew it was going to be a _____Adjective_____ ride. The ride went up a hill then the track seemed to disappear and we started to drop down _____Adverb_____. We _____Verb - Past Tense_____ at the top of our lungs as we _____Verb - Past Tense_____ towards the earth. It was _____Adjective_____, super, duper, _____Adjective_____! Then we just stopped with a _____Verb - Base Form_____, and the ride was over. Personally I don't think all of those buckles were needed, it wasn't that dangerous....or was it?
