# The Weirdest Dream I've Ever Had

I had just woken up to find my \_\_\_\_\_ Noun in the middle of a forest. It was \_\_\_\_\_ Adjective the sun was rising, the birds where singing and the vampires where \_\_\_\_\_ Verb - Present Tense. Wait. What! That cant be right. I turned my head back to the spot I had "seen" them. Yep. Still there. Definitely not good. But vampires don't even exist. So what am I \_\_\_\_\_ Adjective of? That. Thats what i'm \_\_\_\_\_ Adjective of. They \_\_\_\_\_ Verb - \_\_\_\_\_ Past Tense me. Oh no! I had started to run without even realizing it. As I noticed this I tripped over a log and hit my head. Later I was barley aware of being \_\_\_\_\_ Verb - Past Participle of the ground and carried away as the darkness over took.
