Hello! My name is           Name           and I just got back from a           Adjective           break, which I spent           Verb - Present ends in ING           in           Place          . It was a great time! In 2013, I would like to           Verb - Base           Form more and           Verb - Base Form           less. I feel so           Adjective           for this semester!
