Krucial Kuts Presents: NBA Madlibs XI

"The one Adjective thing is that I think he Verb - Past Tense in Number straight
Noun - Plural before the first injury. So he has a history of Verb - Present Tense. People will look at
that and say this is not a guy who's been Verb - Past Participle his whole career. With modern technology
being the way it is, people will look at the Proper Noun. I think the impact will be less than
Number percent of what they thought of him before. When you have a Adjective guy, you
always Verb - Base Form. Full Name of a Person is the perfect example. If he was playing in
Organization last year, he may have been the Number Rank, Number Rank, or
Number Rank pick." -NBA.com
