Hi Julia, Charlotte and Collin,

Thanks for your help last night planning the LarFTY Friday Night Service and _____Noun_____ at ski trip. I think you are off to a great start, but there is more to finalize. Here is what I'm hoping to _____Verb_____ from the three of you:

1. A plan for Friday night services, which basically means completing the form you started. I've attached a blank one in case you want to finish it digitally.

2. A meditation piece for Havdallah. I suggest just finding something on the internet. Maybe even _____Verb - Present Tense_____ a recording on iTunes.

I need both of these things by FRIDAY AT MIDNIGHT. Then I'll have the chance to look over it during the weekend, and we can go over the last meeting on Tuesday at 5:30 PM.

I've _____Number_____ the three of you to work it out. The three of you meet and do it together, or one of you can just does it. The _____Adjective_____ thing is that it gets done.

I know that midterms are coming up, so plan ahead. It shouldn't take you more than another 15-20 minutes. I'm happy to answer questions if you need help.

Thanks,

Andrew
