# house

I live in a \_\_\_\_\_ house on stone street. It has a big \_\_\_\_\_ picket fence around the perimeter that my uncle George built. My yard has \_\_\_\_\_ green grass and most of it is up of kentucky bluegrass. My neighbor is very \_\_\_\_\_ of my \_\_\_\_\_ yard and garden. My house used to be a \_\_\_\_\_ before we moved in and in time weve made it to be gorgeous, like a plalace. I feel very lucky to be an awesome neighborhood in \_\_\_\_\_ where the \_\_\_\_\_ is gorgeous and the people are \_\_\_\_\_.
