My yard has <u>Adjective</u> green grass and most of it is up of kentucky bluegrass. My neighbor is very <u>Adjective</u> of my <u>Adjective</u> yard and garden. My house used to be a <u>Noun</u> before we moved in and in time weve made it to be gorgeous, like a plalace. I feel very lucky to be an awesome neighborhood in <u>Proper Noun</u> Proper Noun where the <u>Noun</u> is gorgeous and the people are <u>Adjective</u>.
