21. Verb - Base Form

Why?

Dear Proper Noun,

Why did you have to Verb - Base Form me? I feel very Adjective about your behavior. We used to

be Noun - Plural and now we are Adjective (adj) Noun - Plural (n). When you

Verb - Past Tense (v) my Noun (n) I didn't understand how you could be so Adjective.

I think you owe me a Noun (n) with a Noun (n). Don't assume we will stay Noun - Plural (n).

I hope you understand my decision to Verb - Base Form (v) you until you Verb - Base Form (v).

As my Proper Noun (n) once told me, I will now say to you, "Find Noun (n) within your

Noun (n) in return for Noun (n)." I hope you can understand this lesson.

I am only sending this Noun (n) because you are a true Proper Noun to me that I don't want to

Verb - Base Form (v).
