# **lsdkfj**

OUR FIRST MEETING OF THE SEMESTER IS THIS FRIDAY, JANUARY 25TH AT 5PM IN THE LAB THEATER IN MCWILLIAMS!!!!

We have some great stuff planned... hint-- come nice and clean because you will be getting pretty close to the other group members.

We will be giving everyone who shows up a schedule of the upcoming semester's TUPAS events, audition opportunities, and asking everyone to fill out a questionnaire on what yall would like the meetings to consist of so it's IMPORTANT THAT YOU BE THERE :)

If you have anyone you know who would be interested in coming to TUPAS be sure to bring them along and we will get everyone caught up and signed up for \_\_\_\_\_ Preposition or subordinating conjunction semester of making it weird.
