A special friend

There once was a man, the man was a Feeling man.

This was because he was not as any other man of this world. I'm talking about Planet, of course.

He was born with Number fingers on each hand which he used Adverb for anything.

At age Number he acquired a(n) Animal which he kept as a pet. This is the story of

Guy name and his pet, Guy name.

One day the pet got very sick. It had caught a(n) Adjective case of Illness and had turned

Color.

The man picked him up, which turned both of his hands Color.

He rushed to the Location to get his pet fixed up. Here he met a man called Tom.

"I'm not a(n) Profession", said Tom "but I'll have a look at your pet anyway."

Tom found a(n) Tool and Adverb started to work on the animal.

After Number hours of "surgery", the animal now had Number Material

Bodypart - Plural, Number electric hearts which was controlled by Number generators,

placed in the head of the animal. This made it a cybernetic animal, now with the ability to Super power.

With the new acquired power the man and his pet both felt they were special and went out into the world to help
