i was playing with my Noun - Plural a LOT! so i got tired and i Verb - Past Tense down for a nap cuz

i was really Adjective by then! i had a dream where there was a biiiiiig huge Food and i

was Verb - Present ends in ING in it and felt the Food everywhere! but then i woke up and found out

that i maed a Adjective Word for Poop in my pants!!!!!!!!!! it was all over the

place and i tried really hard to Verb it up, i tried really really hard! but i couldnt and it just felt so

Emotion and all my sheets and the teddy Animal (plural) were covered in it. i

started to cry. especially bcuz now i was getting a Disease!

but then.....MOMY CAME HOME!!!!!!!!!! she Verb - Past Tense it all up for me and gave me a kiss on

the Part of Body and told me it was gona be all better. she always

makes thigns better! and she did! she put some Medicine on my Disease, washed my teddys and

sheets, and poured me a biiiiiig glass of Liquid! momys the best!

dady came home later and momy told him what happend, he said looks like you had a big day Funny

Word !

i sure did!

an i Verb - Past Tense momy i woulnt doo it nemor!

o yea this reminds me of something else!

one time reallllly late at night i was Emotion and was gona go ask momy to pour me another glass of

Liquid, and i went in there Room and saw dady making a

Word for Poop on momys Part of Body!!!! it was really weird but REALLY funny! i laughed and

said DAAAAAADY!! your being Word for Stupid again! momy isnt the

Word for Toilet, the Word for Toilet is over there!! i think they got mad at me tho cuz they started

Verb - Present ends in ING and told me goaway get outta the room, then later daddy hit me

again and it kinda hurt! Then I went back to slaep.
