ISS

ISS can be a very _____Adjective_____ place. it can also be full of _____Adjective_____. like pages of homework can turn into a mission impossible rescue! or _____Adjective_____ work can transform into an escape route from slave owners. well today i was working on english literature for Mrs. Walston when all of a sudden i was standing next to _____Full Name of a Person_____ on an escape from _____Location_____. we were on our way straight to canada. Thats were we can be free to do whatever we want. were we dont have to worry bot no slave owners tellin us how to work our _____Noun_____ when we know just how to do it. and anyways if theys so worried bout it why dont they come out an help do it. show us how wes doin it so wrong. any how, we were waitin for ms. _____First Name of a Person_____ to wake up from onen'em spells of hers. she got chunked in the head with a _____Noun_____ long time ago's way i heard it. she got a sleepin disorder called narcopsy-narcolepsy somthin like that. Anyhow, we were waitin patiently and silently juss like we always do when we here dogs. yea thats rite, dogs. we woke mrs. _____First Name of a Person_____ quick - yes sir, we shore did. i was gunna run without her but she knows these woods much better'n me. sos i done woke her up and that was an effort let me tell you! when she finlly came to she was matter'n a hatter she was. she had about two seconds of that before she realized what was goin on and she took off runnin, us three girls and that one (attractive) boy, trailin after here. we were silent as the wind itself.little did we know we were only a _____Number_____ mile away from the border. the chase was at an all time high and thats when _____First Name of a Person_____ threw me face down off a drop off and into the water. i was just bout to land when i woke up and coach meggers was tellin us to get on the bus to go _____Location_____. ISS can be very _____Adjective_____. :)
