Ron's 80th Birthday Party!!!

Once upon a time there was a Adjective man named Ron Huskins. He is the second oldest out of six Noun - Plural. He was super Adjective in everything he did throughout his life. He has helped raised his brother and sisters then grew up to raise his own family. He has traveled the world and seen all that nature has to offer. He has been to the coldest and to the hottest parts of the world. As he has gotten older he has to slow his Verb - Present Tense down. Then Ron decided that he did not Verb to travel in the
