14. Number
15. Noun

Only at the Day School...

It was an Adjective day at North Shore Country Day. First Name of a Person parked his/her Noun in the parking lot just 2 minutes before A Block Class so he/she had to run to class.

When he/she got to class they realized that his/her Noun had been forgotten. However, Teacher wouldn't allow him/her to go back so instead one had to be borrowed from First Name of a Person. About halfway through class First Name of a Person phone rang with the ringtone of the song Song. The teacher took away their phone and gave them the punishment of having to clean Noun - Plural from the V.

A few hours later at lunch his/her bad day continued. It got worse when they spilled their Lunch Item all over First Name of a Person. The next class was Class, in that he/she found that they got a Number% on the unit test. The day was finally over when he/she realized that they had lost their Noun and couldn't get home.
