## Baby Boys

Twinkle twinkle little \_\_\_\_\_<sup>Noun</sup> how I wonder what you are . Oh hello please be quiet,my \_\_\_\_\_<sup>Noun</sup> is sleeping . All right I hear you are going to be a bigger sibling . Ooohtay ! Come on let's get this \_\_\_\_\_<sup>Noun</sup> on the road . Ok let's make this easier . Goo go be ! You don't know baby talk ? Well uhhh,I don't know if I can help youuu . Oh ya here's something you can try ,try turning the \_\_\_\_\_<sup>Noun</sup> .

Some babies breast feed. That's when \_\_\_\_\_<sup>Noun - Plural</sup> make milk and babies get the milk from a special part of the mommy's body. Other babies are bottle fed. Babies that are \_\_\_\_\_<sup>Noun</sup> fed need formula. Formula is a mixture of \_\_\_\_\_<sup>Noun</sup> and milk powder. If a baby is bottle fed you need \_\_\_\_\_<sup>Noun</sup> liners, bottles, and nipples. Sometimes you can buy all-ready made formula. There are different kinds of formula. Like Soy \_\_\_\_\_<sup>Noun</sup>, Sensitive milk, Regular milk, and sometimes mommies can pump milk from her body and put it in a \_\_\_\_\_<sup>Noun</sup>. Some babies like it quiet when they eat. When a baby is big enough he or she is allowed to eat \_\_\_\_\_<sup>Noun</sup> food. Baby food isn't like formula or breast feeing. Baby food is mashed up things like mashed up \_\_\_\_\_<sup>Noun</sup> or mashed up \_\_\_\_\_<sup>Noun</sup> \_\_\_\_\_<sup>Noun</sup> . Sometimes a \_\_\_\_\_<sup>Noun</sup> will star coughing. If so you should raise their arms up, well at least do something. When you're trying to calm a \_\_\_\_\_<sup>Noun</sup> you need to remember they're babies, don't get mad at them. Also if one thing doesn't work go to another thing.Some strategies to calm a \_\_\_\_\_<sup>Noun</sup> down are sing a lullaby or hold their hand. Sometimes when babies cry they might need a \_\_\_\_\_<sup>Noun</sup> change. Babies cry for a reason like if they need a diaper change or want to eat and sometimes have a belly ache. Some people buy \_\_\_\_\_<sup>Noun - Plural</sup> for their babies to suck

on, gnaw on ,chew on and stuff like that. People say don't swaddle your baby because it can cut their

\_\_\_\_\_ Noun \_\_\_\_\_ off. If your baby is crying sometimes you to talk to them.
