# Saving Energy

Energy is one of the most Adjective parts of our Noun.

We use energy to do work. Energy lights our cities. Energy powers our vehicles, trains, planes and rockets.

Energy warms our homes, cooks our food, plays our music, gives us pictures on television. Energy powers machinery in factories and tractors on a farm.

Energy from the sun gives us light during the day. It dries our clothes when they're hanging outside on a clothes line. It helps plants grow. Energy stored in plants is eaten by animals, giving them energy. And Noun animals eat their prey, which gives the Noun animal energy.

Everything we do is connected to energy in one form or another.
