Regression Analysis Memories

My first memory of regression analysis was _____Number_____ years ago, when I took Introduction to Statistics. That class was _____Adjective_____! I had a _____Adjective_____ professor, named _____Famous person_____. I remember _____Regression Thought_____ and _____Regression Thought_____. That year I got a pet, _____Animal_____. So I was very concerned with _____Verb - Present ends in ING_____ my _____Animal_____. Instead of studying I was always _____Something you did in college_____. I ended up needing to cram before every exam and always drank 5 pots of _____Drink_____. I spent an all nighter at _____Place on campus_____! I ended up doing fine in that class, but could never remember how to calculate _____Regression Thought_____ and _____Regression Thought_____. Now I know that regression analysis makes up the basis of a number of statistical methods. I may even use regressions for my work with _____A community group you are working with_____.
