My journey along the Silk Roads

Dear Diary, ??

I have been traveling along the silk roads for about _____ Number months. It has been hot to the point where I have _____ Verb - Past Tense; it has been so cold that I almost got frostbite. It has rained, and I have gotten soaked . As I traveled through the _____ Proper Noun _____ Proper Noun, I have encountered sand storms. Some bandits tried to snatch my silk and pottery, but I outran them. I have been trading this precious fabric, silk, and I have already made about 50 !!!! I have sold some of my pottery and made about 30. My journey will soon be ending, I won't be traveling through both Asia and Europe. I will have to make some more money, and get back home to my family. I have collected some sesame seeds, precious stones and oil along my journey. Well, I have to go and get a good nights sleep for tomorrows day!
