

TAMKO Mad Lib

1. Noun - Plural
-

TAMKO Mad Lib

There once was a plant located in the heart of Frederick county named TAMKO. This plant manufactured roofing shingles and employed _____ Noun - Plural from far and wide. Many at the plant had worked there since the dawn of time, or so it seemed. Each week the employees of TAMKO would gather at meetings to discuss items of importance or current trends at the plant. These meetings would garner great discussions of epic proportions.
