# Snow week

This snow week was not a \_\_\_\_\_ Adverb fun week. We had the most \_\_\_\_\_ Adjective dress up days. Only a handful of \_\_\_\_\_ Noun-Plural dressed up for the dress up days. It was exciting to see my brother getting crowned as \_\_\_\_\_ Noun. It was also exciting that both my brother and sister were up for \_\_\_\_\_ Noun week. Hopefully next year our snow will be \_\_\_\_\_ Noun. Also I hope that we will have fun dress up days next \_\_\_\_\_ Noun.
