# Winter

I dislike winter. It is \_\_\_\_\_ Adjective \_\_\_\_\_, \_\_\_\_\_ Adjective \_\_\_\_\_, and \_\_\_\_\_ Adjective \_\_\_\_\_. The \_\_\_\_\_ Noun \_\_\_\_\_ is always behind the \_\_\_\_\_ Noun - Plural \_\_\_\_\_. You can't \_\_\_\_\_ Verb \_\_\_\_\_ or \_\_\_\_\_ Verb \_\_\_\_\_ outside, but you can in the summer. It's a long \_\_\_\_\_ Number \_\_\_\_\_ months. \_\_\_\_\_ Noun - Plural \_\_\_\_\_ have to take time to \_\_\_\_\_ Verb \_\_\_\_\_ for food before winter comes for their hibernation. I wished I lived somewhere that's always warm like \_\_\_\_\_ Proper Noun \_\_\_\_\_.
