# Practice mad lib

Once upon a time there was a           Noun          . He really liked to           Verb           with other people to protect his           Noun          . One day he was           Verb - Present Tense           through the forest when he was bit by a           Noun          . This gave him           Adjective           powers that allowed him to           Verb          .
