# march madness

I'm so \_\_\_\_\_ right now. Its the time of year that all \_\_\_\_\_ sports lovers wait for, March Madness. I can't wait to see my \_\_\_\_\_ in their \_\_\_\_\_ and \_\_\_\_\_ become the Cinderella story of the tournament. \_\_\_\_\_ is hands down the \_\_\_\_\_ player in the whole tournament. I have no doubt that my bracket is flawless. After I \_\_\_\_\_, I'm going to celebrate at the \_\_\_\_\_. It's really no big deal though, I'm used to \_\_\_\_\_. The real madness about march is my friends getting \_\_\_\_\_ about how much better i am then them. I guess its just one of my \_\_\_\_\_ qualities.
