Logan holland

1. Determiner _____

Logan holland

There was this Guy named create who was 18 and he could create anything out of thin air. He went Le Sueur high school.

He could do anything,turn the school blue,make a fast runner run slow,and he could make a man jump to the moon.

He had a dog named Fred._____Determiner_____ had the same powers create had.He had red hair and white skin.He could hurdle very well.
