This morning I woke up to a birthday cake that my mom verb - Past Tense last night. Sho
was a little upset when she that I smelled it last night when I was in bed. When we were
on the way to school we drove by a field and we saw Animal So we
all of our stuff to go out and hunt for them. When I got to school my mom gave me a hug and told me
to have a great day. When I walked into my first class I felt very with my vest on. The water i
the fish tank in the class room was it felt weird. So I grabbed the of the counter
and I filled it with new water that was colder. During fourth hour I was really and I thought I wa
going to die of hunger. But once I got to my lunch I was a lot I received a call from my mom
saying that I have to go to the choir room. So did and I got a surprise birthday party. There were
probably like 39 people their I was very surprised. This was they best birthday ever!! I will never forget this
birthday in the year
