Life as a Teller

Welcome everyone to teller training! We will be spending the next _____Number_____ days together, so let me start off by telling you a little bit about this program. The training is _____Adjective_____ and will require paying attention and actively participating in class. Chase puts a lot of focus on customer experience so this entire class will center back to this principle. Life as a teller at Chase is a great stepping stone into a wonderful career. If you enjoy working with people and a faced paced environment this is the job for you. There is a great deal of information tellers must know because you are the face of Chase. Being on the front lines is never an easy task. This class will teach you the basics and essentials for being a successful teller. So let's get started!
